Take care of family health

Pets playing outdoors,  
drilling grass, rolling, etc.  
are susceptible to external parasites

When pets are infected,  
when they come into close contact with  
pets, it is easy to cause skin problems  
such as dermatitis

Effective duration of 8 months

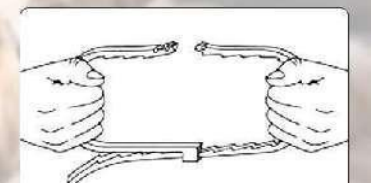

### SECURITY MEASURES

#### RATCHET RELEASE MECHANISM

As the strength increases, the collar becomes loose

#### PRESET BREAKPOINT MECHANISM

When the force is too strong, the collar breaks to allow the trapped pet to break free
